quality, wall-mounted workstations and cabinets

PROXIMITY
SYSTEMS®

Shaping the Standard.

fine form

For more than 20 years, Proximity Systems has provided reliable, wall-mounted workstations, medicine cabinets, sanitation dispensers and kiosks designed to meet your needs and enhance your work environment. We offer three product lines — Classic, Embrace and GozAway — that help facilities throughout the country improve their workflow, enhance efficiency and maximize floor space.

Let's work together to optimize your facility. With our innovative designs and extensive manufacturing experience, we're **shaping the standard**.

i class*i*c

Our original, curved workstations fit perfectly into healthcare facilities, government agencies and other buildings.
